

Ballarat Transplant Recipient Catch Up

Join us for our bi-monthly catch up for transplant recipients and their loved ones from Ballarat and surrounding areas.

This is a wonderful opportunity to come together with people who have been through similar experiences to you. We will host guest speakers and share stories in an informal and social environment.

If you are interested in coming along or know someone who might be, email Larna Kennedy at larnak@bhs.org.au for further details.
